

Cleantech new venture challenge

Due. Saturday, Dec. 13.

Details at nvc.cucleantech.org

Submission materials:

* 2-page executive summary. This will address the market opportunity, go-to-market strategy, market & industry analysis, technical product description, economics, risks & team.

* 5 minute video pitch. Upload video to youtube and send me a link. You can make it public or private. This can be a video demonstration, standard elevator pitch format, standard slide presentation with audio, etc. Be creative. See examples on the website above from previous competitions.

* IP acknowledgement form

Use template forms from website above.
